TOGETHER WE WILL

**DEFEND &
ADVANCE
BIBLICAL VALUES
IN THE PUBLIC SQUARE**

But isn't Washington State too far gone?

Only if we stay angry, unforgiving, polarized & apathetic.

"We are tired of losing. In our lifetime, we've seen the destruction of our cities, our schools, and our families. We want our beloved state back. The living water of grace calls us to forgive and unite, and to bring God back into the public square. It's time for the triumph of victory in Washington State."

~P. Brian Noble, Executive Director

TOGETHER WE WILL

ACCOMPLISH FPIW's VISION:

A state where authentic biblical values flourish, and people are free to live out their faith in the workplace and community.

IN DEFENDING & ADVANCING BIBLICAL VALUES IN THE PUBLIC SQUARE?

DEFEND & ADVANCE LIFE

We believe that government has an obligation to protect life from conception to natural death. We advocate on issues of life ranging from abortion to adoption to human euthanasia.

DEFEND & ADVANCE MARRIAGE

We believe marriage is between one man and one woman, and that it is the optimum family arrangement for the rearing of children. We advocate for the preservation and promotion of natural marriage at the state and federal levels in order to address our social ills rather than an ever larger, more controlling government.

DEFEND & ADVANCE RELIGIOUS LIBERTY

We believe that the right to worship freely, publicly, and at work is fundamental and non-negotiable. We fight against unconstitutional restrictions on churches and ministries, to preserve the rights of churches and religious schools to hire as they see fit, and for Washingtonians to live out their faith freely.

DEFEND & ADVANCE PARENTAL RIGHTS

We believe parents have the right to choose how to raise their children. From educational choice to vaccine exemptions, we oppose government efforts to force parents into decisions, with which they do not agree.

FULFILL FPIW's MISSION:

To unite, represent, educate, and equip Washington legislators, pastors, and citizens to speak out on authentic biblical values, public policy, and bills impacting individuals and families within the public square.

CONSERVATIVES THAT WILL DEFEND
LIFE, RELIGIOUS FREEDOM,
FREE SPEECH, MARRIAGE, FAMILY, **KIDS**,
CONSTITUTIONAL RIGHTS,
& **BIBLICAL VALUES**

* In sum, we estimate one-third of Christians hold conservative values. The formula is: (Population) x (Christians) x (35%). This estimate is a FPIW strategic calculation based upon the Pew Research Center's "U.S. Religious Landscape Study (2014)," at [pewresearch.org/religion/religious-landscape-study/state/washington/](https://www.pewresearch.org/religion/religious-landscape-study/state/washington/). Overall, the Washington State population is 7,785,786, per the U.S. Census (2022). The number of Christians is 4,749,329 or 61% of the population, per the Pew Research Center. Therefore: (7,785,786) x (61%) x (35%) equals 1,662,265 – or 1.7 million.
