Let's Change Culture One Heart at a Time

What is our ultimate goal? The Family Policy Institute of Washington aims to create a state where biblical values flourish. How do we achieve this? FPIW believes that for policies that honor God to be implemented, there must be a transformation of the heart. We also understand that heart change is a personal choice and cannot be compelled. Therefore, we will work to persuade Washingtonians to embrace Christ, one person at a time.

SIMPLY CARE | SHARE YOUR FAITH

The key to simple evangelism is genuinely caring about others. You will learn practical ways to identify the needs of others and assist them. They are not a project; they are your neighbors, whom God has called you to love.
